IR ECOSYSTEM™

Package Protection is part of the exclusive InVue IR Ecosystem™, a storewide single key solution that improves customer service, increases sales and provides high theft protection.

IR Package Wrap

IR Package Wrap protects large boxed merchandise with an easy-to-use wrap solution. A low-profile design ensures maximum visibility of merchandise packaging, and the twist-to-tighten design makes securing boxes easy.

Feature

Alarm on top of package

Alarms if cables are cut

Reinforced hang tab

Twist-to-tighten design

EAS Compatible

Can only be opened with IR2 Key

Benefit

Enables better stacking on shelves

92 dB alarm is loud enough for noisy environments

Durably display and protect merchandise. Can be used with InVue's Secure Fixtures

Easily tighten cables around package

Will alarm both AM and RF pedestals

One key for a store-wide solution, protecting against theft using magnets or small tools
