

Magnets don't stand a chance.

InVue's Small Package Wrap stands alone in the market as the only solution not vulnerable to magnet defeats. Designed for retailers who want to protect small to medium sized boxed merchandise intended for display on shelves. This compact solution, which cannot be defeated by

magnets, features a low profile design to ensure maximum visibility of the package graphics and information. It also features a twist-to-tighten design that makes it simple and easy to use. The IR Small Package Wrap utilizes the IR Key and is part of InVue's exclusive IR Ecosystem™.
